PRODUCT DESCRIPTION

Choose to take your off-road lighting to the next level with BD’s 9,500 lumen XL80. Similar to BD’s current XL Pro model, the XL80 has the same anodized and powder coat cast aluminium housing and bezel. However, this is where the similarities end. The XL80 features a very powerful LED for greater visibility and increased brightness. As always, Baja Designs offers a 30 Day Satisfaction Guarantee, and Limited Lifetime Warranty.
