

SQUADRON 2.0 SINGLE ROCK GUARD UNIVERSAL

$28.95 GST included

SKU: N/A
Categories: Accessories, Accessories

PRODUCT DESCRIPTION

The Baja Designs Squadron 2.0 Series rock guard have been engineered specifically for Squadron 2.0 Sport and Squadron 2.0 Pro light pods. Rock guards provide essential protection for your lights, shielding them from rocks, debris, and other off-road hazards. Designed for quick installation and removal, these rock guards fit securely and simplify maintenance.

Color Options:

- Black: Features the Baja Designs logo and fully covers the lights when off. Note: Black rock guards are not to be used while lights are on.
- Baja Amber: Easily switch to baja amber lighting for enhanced visibility in dusty or adverse weather conditions.
- Clear: Protects the lights while allowing full brightness to shine through

Benefits:

- Impact Protection: Acts as a barrier against dirt, rocks, branches, and mud, absorbing impact to reduce the risk of light damage.

- Scratch Prevention: Shields lights from debris that can cause scratches or cosmetic damage.
- Durability: Adds an extra layer of resilience, helping lights withstand the rigors of off-road driving.
- Visibility: Protects lights without compromising their functionality, ensuring optimal performance.
- Easy Replacement: Simplifies maintenance with easily replaceable rock guards, making repairs more cost-effective.

Features:

- Sold individually
- Made from durable, hard-coated polycarbonate plastic
- Available in Black with Baja Designs logo, Amber, or Clear
- Easy to install and secure for a snug fit
- Note: Not compatible with flush mount models.
