PRODUCT DESCRIPTION

Two is always better than one, right? We think so, which is why we're offering a pair of XL-R Sport LED auxiliary lights with wiring harness. The XL-R Sport makes it easy to light up your world in style, with the perfect combination of affordability and performance. The XL-R Sport LED light utilizes our trademarked High Speed Spot reflectors providing for a longer beam pattern. The XL-R Sport provides the same top of the line performance and aesthetics you expect from BD in an affordable solution. All Baja Designs LEDs are backed by a 30 Day Satisfaction Guarantee and Limited Lifetime Warranty for the ultimate in purchase protection.

Note: A Skene dimmer must be purchased separately to enable the high/low feature.

Lightning Pattern: High Speed Spot: A longer and narrower 6 degree beam focus for illumination further down the trail or road. The Spot pattern is designed to be used in conjunction with additional Wide Driving and/or Driving/Combo beam lights. (Lighting Zone 4 and 5)
