PRODUCT DESCRIPTION

Two is always better than one, right? We think so, which is why we're offering a pair of XL80 LED auxiliary lights with wiring harness for the price of $789.95.Choose to take your off-road lighting to the next level with BD's 9,500 lumen XL80. Similar to BD's current XL Pro model, the XL80 has the same anodized and powder coat cast aluminum housing and bezel. However, this is where the similarities end. The XL80 features a very powerful LED for greater visibility and increased brightness. As always, Baja Designs offers a 30 Day Satisfaction Guarantee, and Limited Lifetime Warranty.
